Details regarding the nature of uses ‘Permitted’, uses ‘Restricted’ and uses ‘Prohibited’ in each zone are described in the general notes, guidelines and tables given below. These regulations shall be enforced in conjunction with other specific provisions if any elsewhere in the Plan.

‘Uses Permitted’ in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary of Kuthuparamba Municipality, hereinafter referred to as Secretary. In some cases, it may be possible to permit some other uses also, which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special location factors. Such cases which come under this category are classified as “Uses Restricted”.

Uses **Restricted -1** Category deals with the uses that shall be restricted by the Secretary with the concurrence of the Town Planner of the Local Self Government Department Planning, having jurisdiction of the area (hereinafter referred to as Town Planner, Kannur).

Uses **Restricted -2** Category deals with the uses that shall be restricted by the Secretary with the concurrence of the Chief Town Planner Local Self Government Department Planning

“Uses prohibited” enlists the various objectionable uses in each zone which shall not be permitted under normal circumstances.

3. If any space in a zone is put to a “**Uses Prohibited**” as stated in Para 2, before the sanctioning of the scheme, such use shall be termed as non-conforming use. A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted by the Secretary, provided that the said use create no adverse environmental influence in the zone. Addition, alteration or reconstruction, if found necessary as part of any mitigation measures may be permitted for such uses by the Secretary with the concurrence of the Town Planner, Kannur
4. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations, unless otherwise specifically mentioned in this Master Plan. All existing uses in every zone shall be permitted to continue. The addition/extension/alteration/reconstruction of these existing building are permitted in all zones except in Water bodies ,Sacred Groves, Paddy field/ Low lying area, Canal Land , and Hazardous Zone .The total built-up area shall not exceed 1.5 times the existing built-up area.
